ROBOMAX JD AUTOMATIC SOD HARVESTER

Setting New Standards Worldwide
Turf Industry Leaders in Service and Innovation

WE'RE SETTING NEW STANDARDS FOR PRODUCTION IN THE TURF INDUSTRY.

The RoboMax JD Sod Harvester from Brouwer proves our commitment to your business performance. This single-operator Sod Harvester is simple and state of the art. It is capable of producing pallet after pallet of 16", 23" or 24" small rolls even in tender conditions. A simple robotic stacking system gently transfers 4 or 5 rolls of turf at a time to rear mounted pallets that are easily handled with a forklift. An optional double sided pallet injector is also available. Easy to operate and maintain, the RoboMax JD Sod Harvester from Brouwer is a cut above.

ROBOMAX JD™ AUTOMATIC SOD HARVESTER

Features:

- Compact, Maneuverable Automatic Stacking Roll Harvester
- 16" / 23" / 24" Cutting Widths
